COMMENTS FROM GUESTS:

Jeff Smith stated that the sign was removed to match the ordinance.

Bill Kolling stated that a neighbor put siding on his house without a permit. Jeff Smith said that Wade would check into it.

Mitch Sallitt stated that trash trucks go through town in the early morning showing disrespect to residents who are trying to sleep, the school buses go too fast and there is speeding on Mercer street. He also commented that the "No Parking" signs are face level and a danger to possibly someone cutting their face on them.
