BUTLER COUNTY, PENNSYLVANIA

A RESOLUTION OF THE BOROUGH OF HARMONY, BUTLER COUNTY, PENNSYLVANIA, TO ADOPT A COMPREHENSIVE RECREATION, PARKS AND OPEN SPACE PLAN

RESOLUTION NO: 2018-2-6 B

Whereas, Harmony Borough desires to provide for the public health, safety, and welfare through the development and ongoing provision of park and recreation facilities and programming; and

Whereas, Harmony Borough, Jackson Township, and Zelienople Borough recognize the value of regional parks, recreation, and open space planning, as a means of sustaining existing and future facilities through regional economy of scale with respect to the number of residents served, programming, staffing, and maintenance of such facilities; and

Whereas, meetings and surveys were administered to provide for public input and representatives from the Boroughs and the Township have met to review the plan; and

Whereas, the adoption of the joint plan serves to promote regional connections through trail facilities that are designed to link recreational areas with the commercial centers in the three communities; and

Whereas, the plan forms an opportunity for continued communication between the communities and a policy basis for the development of master plans, ordinances, and joint boards to facilitate its continued implementation;

Now therefore be it resolved by the Borough Council of Harmony, this 6th day of February 2018, as follows:

The Borough hereby positively recognizes the plan entitled "An Implementable Multi-Municipal Comprehensive Recreation, Parks and Open Space Plan," dated _____, 2017, and is in support of the plan with the following exception:

The Borough takes exception to the use of the Harmony Trail as an emergency access to the proposed Creekside Development. In the event that the Creekside Development is approved by Jackson Township with an emergency connection to the Harmony Trail, the Borough will withdraw, by resolution, from the plan.
